## ABOUT GADSVENTURE

WE are a super fun loving and adventurous family of six ranging in age from 2 to 42! Our family has always vowed to keep life interesting and have been achieving this through long term travel with our tribe. Recently our 8 month odyssey throughout SE Asia and in the past during our trip around Australia for 12 months, we have relished our time exploring as a family and experiencing travel with a family vibe. We believe travel is for everyone, not just the affluent, and as so are dedicated to finding great deals around the world.

Gadsventure is different to other travelling families. We are not your typical Mum and Dad blogger. We bring coolness and fun times to the table.

We have worked with World Travel Family, Breathing Travel, Jayco, Evolve Travel Goods, Tesalate, GetYourGuide, Bali Zoo and more and continue to be a growing influence within our niche.
